Event/Activity Report:- CONSTITUTION DAY- 2020/SAMVIDHAN DIVAS- 2020

Description:- Constitution Day in India is celebrated every year on 26th of November as the constitution of India was adopted by the Constituent Assembly on 26th of November in the year 1949 and came into force on 26th of January in 1950. Dr. Ambedkar is the Father of Constitution of India. After the independence of India Dr. Ambedkar was invited by the Congress government to serve as a first law minister of the India. He was appointed as the Constitution Drafting Committee's Chairman on 29th of August. He was the chief architect of the Indian constitution and known for the strong and united India. SDSS, Hon. Shri. Annasaheb Dange Ayurved Medical College was celebrated Constitution day 2020 at Thursday, on 26th of November by college staff in college campus event started with enlighten the lamp, after guest speech function ended with pledge by Dr. Anjali Upadhye.

Outcome of event:- Constitution Day or Samvidhan Divas in India is an officially celebrating event which is celebrated every year on 26th of November to honor and remember the father of Constitution, Dr. Bhimrao Ramji Ambedkar. People in India remember their history and celebrate independence and peace every year after launching the own constitution of India. Constitution Day is observed to spread the importance of the constitution of India and how it is helpful towards the growth and the development of the country. The day also helps us to remember the hardship and sincere efforts of Dr. B. R. Ambedkar which he took to frame the constitution of our nation. India before was mostly governed by the regulation of the princely states and there was a need to have a document which lays the framework for the country's political code, rules, procedures etc. There was also a necessity of a document which describes the fundamental rights and duties of the citizen residing

in the country so that they could flourish and add up to the overall development of the country to reach new heights. The Constituent Assembly of India adopted the constitution on 26th November 1949 which became effective on 26th January 1950. Constitution Day helps to ignite the lamp of knowledge in the minds of our new generation so that they can understand the importance of Indian constitution, respect it and follow it religiously. It also makes us stay connected to it in the current era when people are forgetting the importance of democracy. This is a way by which we can pay tribute to the Father of Indian Constitution and spread his ideas and thoughts. It becomes very important that we pass the knowledge to our future generations about the struggle and hard work of our great leaders in achieving an independent democratic self-reliant country and helping us to live in the era of new India and Constitution Day is the one of the days which helps us to pass this flame of knowledge to our future generations.
