Subject: About organizing Ayurveda conference and quiz competition.

Respected sir,

We want to organize national seminar on autoimmune disorder and Ayurveda quiz competition on 24th February, 2019. In order to highlight our institution on national level and to give our students a wide exposure to knowledge, this seminar has been proposed by us. Many ayurvedic teachers and students from various states will visit our college to share their views; hence will be beneficial for us.

Kindly grant us permission for the same.

Thanking you.

OBJECTIVES

1. Creating awareness amongst students about the efficacy and recent advances in the field of Ayurveda.
2. Providing a platform where young and enthusiastic learners of our science can interact with the experienced generation.
3. Propagation and promotion of Ayurvedic ideologies amongst the masses.
4. To encourage the participants to share their knowledge by organizing quiz competition.
5. To determine healthy interactions among ayurvedic practitioners belonging to various states and parts of the country.
6. To showcase our institution's identity to the masses, participating in the conference.

DESCRIPTION

1. We were honored to have Vice Chacellar Dr.Dilip Maisekar as a guest of Honour & ,Dr. S. Gopakumar from Kerala & Dr.Prashant A.S. from Hubali , Karnataka as the Key Note Speaker on this special occasion.
2. The theme of our biennial Seminar was 'Bridging Research and Ayurved Practice', which recognizes the rapid advances being made in basic research and the need for their translation from the bench to the bedside and also translation of the evidence generated into clinical practice. Early career researchers and postgraduate students will be in the running for oral and poster awards in recognition of quality research. We aim through this forum, with active delegate participation, to debate key translational research questions and thereby help direct our efforts towards greater impact.
3. We have received 175 research papers and after review 143 papers were accepted. And 25 research papers were presented in paper presentation oral sessions, 40 research articles in poster sessions and two invited talks. Invited posters will be on view during the conference with the main viewing

- session at our seminar. This national Seminar which is directly linked to socially useful research areas of Ayurveda.
4. This research work represent from ten states Maharashtra, Karnataka , Goa, Kerala, Gujarat, uttar pradesh, west bengal, uttakhand, Telangana, Tamil nadu. This seminar was been supported by a number of sponsors to whom we are very grateful. It has been very heartening to observe all the committees working in union towards making this national seminar a great success. We should also be striving for making everyone feel proud of our achievements. Encouraging the youth to play a major role in the society eventually results in the evolution of great leaders from our community. We aim to take the next step towards that goal through this national seminar.
 5. It has been our privilege to convene this seminar. Our sincere thanks, to the seminar organising committee. Finally I would like to thank all the authors, volunteers and persons who directly or indirectly contributed to the seminar. Without their cooperation and full support, this seminar would not have been possible. Special thanks to all the students. We welcome you to ADAMC, ASHTA and hope that this year's seminar will challenge and inspire you, and result in new knowledge, collaborations, and friendships.
