### Activity towards Improvement of Clinical Documentation

Year 2022-23

**i. To issue hospital card to the patient:**

Patient undergoing Anushastra procedures are being issued hospital card with concerned details that would make a way for them for every follow up and procedure.

**ii. To issue separate OPD and IPD files.**

OPD file for day care procedure and IPD file for advisory admission as per minor or major cases to make over.

**iii. Maintenance of separate OPD and IPD register:**

Name of the patient is register in separate OPD or IPD register according to the framework of related procedure.

**iv. Written consent of the patient:**

Proper written consent is taken of the patient with the signature of patient and relatives including explanation of the procedure, risk involved mechanism of the procedure and outcome.

**v. Maintenance of admission and discharge register:**

A separate provision is made of registering the admitted and discharged patients separately.

**vi. Separate register for minor procedures.**

Minor Procedure of Anushastra is noted in separate registers with essential credentials.

**vii. Proper billing with receipt and prescription during discharge:**

Bill receipt and prescription is given to the patient as per the procedure and follow up is explained on the counter and OPD as well.
