ACTIVITY REPORT

Date – 25/04/2022

INAUGURATION OF DIGITAL HERBAL GARDEN

Title of Activity: Inauguration of Digital Herbal Garden

Duration: One Day

Date: 23/04/2022

Time: 10:00 am to 2:00 pm

Objectives of event / activity:-

- To help the students to identify Medicinal Plants.
- Digitalization of Herbal Garden in the college campus.

Description: - Hon. Shri. Annasaheb Dange Ayurved Medical College, Post Graduate & Research Center, Ashta, Department of Dravyaguna Vidnyan has developed Digital Herbal Garden. One of the most important benefits of using digital learning is that materials are always available to students—24 hours. QR (Quick Response) codes are type of location based digital technology. QR codes attached to medicinal plants help in identification as well as to understand the properties & action, uses, important formulations of that plant.

Annasaheb Dange Ayurvedic Medical College has well developed Herbal gardens namely Charak Herbal Garden, Sushrut Herbal Garden, Vagbhat Herbal Garden and Dhanvantari Herbal Garden with wide verity of medicinal plants. The institute has also developed Nakshatra, Rashi and Graha Gardens. . Previously Plant name plates were attached to the plant for identification purpose and student had to use the text book to read the information. Now QR codes are developed for 121 species and 390 plants.

The inauguration of Digital Herbal Garden was held in the presence of president of N.C.I.S.M. New Delhi Dr. B. S. Prasad, Dr. S. R. Joshi (Former HOD of Botany Department Shivaji University Kolhapur), Dr. S. R. Yadav (Former HOD of Botany Department Shivaji University Kolhapur), Hon. Shri Annasaheb Dange, Secretary Advocate Rajendra /Chimanbhau Dange, Chhagan Nangare, Appasaheb Pujari, Dr. Satish Bapat, Principal Dr, Ashok Wali and other teaching- non teaching staff.

Dr Sarika Kandharkar had explained benefits of QR codes and shown the QR codes displayed in the garden. Dr B. S. Prasad had scan the QR code and praised about these activity. Dr. Sarita Gavade and Madhuri Patil had shown QR code Scanning to other delegates.

Outcome:

Digital learning can help enable personalized learning, in that everybody has specific techniques and learning methods that suit them.

Important benefits of using digital learning is that materials are always available to students—24 hours a day, 7 days a week.

QR codes attached to medicinal plants help in identification as well as to understand the properties & action, uses, important formulations of that plant.

DEPARTMENT OF DRAVYAGUNA VIDNYAN

ERAND

***Ricinus communis* Linn.**

ERAND

1. **Plant** - Classical

2. **Gana** – Charak – Bhedaniya, Madhuraskandha

Sushrut – Vidarigandhadi, Vatasanshaman

3. **Kula** - Amalaki kula

4. **Family** – Euphorbiaceae

5. **Synonyms** – Gandharvhasta, Panchangul, Vardhaman, Chitrabeej

6. **Distribution** – Throughout India, cultivated and found run wild.

7. **Morphology** – A perennial, bushy, soft-wooded small tree with a thin grayish brown bark; **Leaves** palmately lobed with seven or more serrate lobes, petioles with conspicuous glands; **Flowers** monoecious in terminal paniculate racemes with crowded male flowers on the upper half of the inflorescence and the pistillate at the basal half, sometimes a few pistillate flowers at the top also; **Fruits** globose, explosively dehiscent, 3-seeded capsules, when young it is green and covered with fleshy prickles; **Seeds** oblong with smooth, hard mottled crustaceous testa with a white caruncle at the top enclosing oily and fleshy endosperm.

8. **Types** - 1. Shwet Erand 2. Rakta Erand

9. **Gunakarma** – **Guna** – Guru, Sukshma, Snigdha, Tikshna

Rasa – Madhur **Vipak** – Katu **Veerya** – Ushna

10. **Doshkarma** – Kapha-vatashamak

11. **Rogagnata** – Shula, Shotha, Udararoga, Jwara, Aamavat

12. **Chemical Composition** – Alkaloids Ricine, Albumin, Ricine, Gallic acid

13. **Parts used** – Root, Leaves, Seed, Oil

14. **Kalp** – Gandharvharitaki Churn, Erandasaptak Kwatha, Erandapak, Gandharvahasta Tail

ACTIVITY REPORT

Title of Event / Activity: - World Environment Day 2023

Organized by the Department – Swasthavritta & Yoga (ADAMC, Ashta)

Date:-05/06/2023 Time:- 01:30 pm- 02.30 pm Duration:- 1 Hours

Venue:- Hon. Shri. Annasaheb Dange Ayurved Medical College, IBAMS Class Room

Subject: Conduct lecture on the topic 'Importance of Environment'.

Take 'Life style for Environment' pledge

Objectives of event / activity:-

- To create Environmental awareness.
- To promote youth for protection of environment.
- To take 'Life style for Environment' pledge.

Description:

With due permission of Principal sir, there was celebration of '**World Environment Day 2023**' organised by Department of Swasthavritta & Yoga, ADAMC, Ashta. on 5th June 2023. Lecture on the topic '**Importance of Environment**' was conducted by Dr. Sanjay Jadhav, Professor, Dept. of Swasthavritta and Yoga at . Hon. Shri. Annasaheb Dange Ayurved Medical College, IBAMS Class Room from 01:30 pm- 02.30 pm.

The purpose of World Environment Day is to create Environmental awareness and to promote youth for protection of environment. Dr. Sanjay Jadhav, Professor, Dept. of Swasthavritta and Yoga explained about importance of environment and individual responsibilities to protect and to preserve the environment.

At the end of the program 'Life style for Environment' pledge was taken by all present participants.

Lifestyle for the Environment Pledge

I pledge to make any possible changes in my daily lifestyle to protect the environment.

I commit to continuously remind my friends, family and others about the importance of environmentally friendly habits.

I pledge to serve as an example of how an environment-friendly lifestyle can positively impact people and our planet.

The entire program was guided by Respected Principal Dr. Amit Pethkar sir. At the end of the session Dr. Radhika Chougule, Lecturer, Dept. of Swasthavritta and Yoga delivered vote of thanks.

Feedback:-

Feedback was taken from Participants

Feedback Analysis-

Sr.No.	Did you participated in World Environment Day 2023 Program?		How was the overall program?				Is change in life style is necessary for for preservation of Environment?		Is the program beneficial for you?

Declaration Prohibition of Single Use of Plastic in the Campus

This is to declare that single use of plastic has prohibited in the campus area as per the announcement as follows,

- India would phase out single-use plastics by 2022, Prime Minister Narendra Modi announced at the Sabarmati river front in Ahmedabad on October 2, 2019.
- A blanket ban though would not take place, contrary to expectations that were raised after the prime minister's mention of single-use plastics on August 15 2019.
- Then, he had asked the people of India to free the country from single-use plastics and also said a significant announcement to this effect would be made on October 2, the 150th birth anniversary of Mahatma Gandhi.
- In his speech on October 2, Modi said the phasing out was necessary not just for the welfare of the environment but also aquatic life which was being affected by the consumption of single-use plastics.

Date : 01 Jan 2022

- The statement that India would phase out single-use plastics by 2022 was a reiteration of the commitment that the Indian government made in 2018.
- On World Environment Day (June 5), 2018, the then environment minister Harsh Vardhan had announced that single-use plastics would be phased out by 2020. Later, that deadline was revised to 2022.
- Polythene packing for materials used in plant nurseries, medicines, blood transfusion bags and other healthcare sector items has been exempted.
- The University Grants Commission has also written to all universities to initiate a bid to make their premises free of them.
