

## MIDCOURSE IMPROVEMENT OF UG & PG STUDENTS

### Synopsis Writing Workshop Summary Report

The synopsis writing workshop for PG students was conducted with the aim of enhancing their skills in crafting effective research proposals. The workshop spanned over [2016 to 2024] and covered various aspects of synopsis writing, including structure, content, and presentation. The synopsis writing workshop for postgraduate (PG) students has been a cornerstone of our academic support initiatives for the past several years. With each iteration, our goal has been to empower students with the skills and knowledge necessary to craft compelling and effective research proposals.

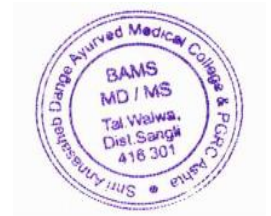

As a Background, Over the past five years, from 2018 to 2024, the synopsis writing workshop has served as a vital platform for PG students to refine their research proposal writing skills through interactive sessions, hands-on exercises, and expert guidance, participants have had the opportunity to delve into the intricacies of synopsis development, from structuring and articulating research objectives to presenting their ideas with clarity and persuasiveness.

Outcome of this Achievements:

Our commitment to excellence has yielded significant achievements over the years. Participants have reported increased confidence in their ability to draft and refine synopses, with many showcasing improvements in their writing style, organization, and critical thinking skills. The workshop's emphasis on peer collaboration and constructive feedback has fostered a supportive learning environment where students feel empowered to share ideas and learn from each other's experiences. Research proposals written in the institute never be rejected.

Objectives:

1. To familiarize participants with the components of a well-written synopsis.
2. To provide practical guidance on drafting and refining research proposals.

### Workshop Activities: (Activity Reports are attached herewith)

- ✚ **Introduction to Synopsis Writing:** An overview of the purpose and importance of a synopsis, including its role in the research process and its significance in academic and professional contexts.
- ✚ **Structuring the Synopsis:** Guidance on structuring the synopsis, including key sections such as the introduction, objectives, methodology, literature review, and expected outcomes.
- ✚ **Writing Techniques:** Tips and techniques for writing clear, concise, and persuasive synopsis content, with a focus on articulating research questions, hypotheses, and significance.
- ✚ **Peer Review and Feedback:** Interactive sessions where participants exchanged drafts of their synopses for peer review and constructive feedback, facilitated by workshop facilitators.
- ✚ **Case Studies and Examples:** Analysis of successful synopsis examples and case studies from various disciplines to illustrate effective writing strategies and best practices.
- ✚ **Guest Speaker Sessions:** Talks by guest speakers, including experts in the field and experienced researchers, who shared insights and advice on crafting compelling research proposals.
- ✚ **Hands-on Exercises:** Practical exercises and activities to help participants apply workshop concepts and refine their synopsis drafts in real-time.

### Outcomes:

- ✚ Increased understanding of the key components and structure of a synopsis.
- ✚ Improved writing skills, particularly in articulating research objectives, methodology, and significance.
