### Results of the pre and posttest are as under:

- The pre and post test contained 30 MCQ questions each of Mark 1 with 4 options that covered the total curriculum of the workshop.
- Average percent score of the pre-test was 61.55%
- Average percent score of the post-test was 87.55% resulting into all positive change in the scores.
- Out of 30 , 6 participants has highest score as 30 and all were above 20 marks .

### Comments / Suggestions from College / Resource Faculty:

- Diagnostic tests should be covered in detail.

### Programme Evaluation:

Analysis of the Programme evaluation questionnaire to obtain feedback on the effectiveness of the workshop as follows:

#### Program Evaluation Feedback

The following table shows the programme evaluation feedback from the respondents for the sessions participants underwent for the sessions as well as overall management and administration of the programme

**Table No 1 : Programme Evaluation Feedback**

Sr.No.	Questions	Yes	No	Not Sure
1	Were the objectives of the workshop largely achieved	30(100)	0 (0)	0 (0)
2	Do you find the workshop useful for your professional activities	28(93.33)	2 (6.66)	0 (0)
3	Were the faculty resourceful/helpful?	23(76.66)	3 (10)	4 (13.33)
4	Do you think you will be able to implement the techniques learnt during the workshop in your teaching?	25 (83.33)	1 (3.33)	2 (6.66)
5	Did the workshop have a balance of theory and practical	Too much of theory 28 (93.33)	Too much of Practice 1 (3.33)	Optimum theory & Practice 1 (3.33)
6	Was the time management satisfactory?	Program was too tight 28 (93.33)	Program was too relaxed 0 (0)	Program was optimum 2(6.66)

(Figures in Brackets are in Percentage)

From above it is clear that all participants are agreed that objectives of the workshop are largely achieved, it is useful for professional activities, the faculties are resourceful and helpful as well as they can implement the techniques in their teachings. While 83.33 percent participant said that it is the balance of theory and practice. But as per time schedule programme was too tight said by 63 percent participant as 33 percent participant said that it is optimum.
