2.5 EVALUATION PROCESS AND REFORMS

2.5.4 POLICY DOCUMENT OF MIDCOURSE IMPROVEMENT OF PERFORMANCE OF STUDENTS

Midcourse improvement helps students by continuous monitoring of the student's performance by the faculty and providing feedback for improvement in weak areas of performance to encourage them achieve excellence by giving opportunities. Curriculum includes internal assessment exams, remedial teaching and periodicals. The purpose of this policy document is to create a nurturing environment, enable students to imbibe values, prepare students to confidently appear for their exams. Faculty conducts surprise-test. Project-based assignments, home assignments. Remedial exams to evaluate student's present performance to get better results and also conduct extra classes for Slow learner students. The internal assessment exam time table schedules are conducted as per the university norms and communicated to the students well in advance. The scheduled date of internal examination and syllabus are displayed on the respective department notice boards. According to new curriculum reforms first and second year BAMS have two term end internal exam and nine Periodicals. For third- and fourth-year BAMS two term end internal examination and betterment.

The internal marks are given after assessing student's performance in internal marks theory and practical exams Those students who have scored below eligibility level are encouraged to appear for betterment exam to enhance their examination score. After examination, the results are prepared within the stipulated time and conveyed to the students in the classroom and displayed on the department notice board within one week. Corrected answer papers of the students are distributed in the classroom for verification and grievance redressal immediately Students are further guided for their better performance in subsequent examinations. Any student who is not satisfied with the assessment, and given marks may approach to the concerned HOD/In-charge. Parents are informed about their ward's performance. Parent teacher meetings are conducted and remedial measures are taken. For slow learners, special attention is given during academic year and their progress is evaluated.

This ensures minimal stress on students while preparing for assessment tests and the complete procedure is maintained by transparent and unbiased means.

Opportunities Provided to Students for Midcourse Improvements:

Sr. No.	Particulars	Details
1	Timely administration of CIE	The college prepares the Internal examination schedule well in advance and informs the students about the schedules at the beginning of the academic year through the academic calendar. This enables the students to be aware of examination dates and prepare for the examination.
2	On time assessment & feedback	The academic council committee supervises the entire and examination & evaluation process. Answer sheets are evaluated by the respective faculty and results are conveyed to students within 7 working days. Feedback for improvement of students' performances is also conveyed in the further examinations during distribution of papers.
3	Makeup assignments/ tests	Repeater students and slow learners are made to write make up assignments on the examination papers to enable them knowing the subject.
4	Remedial teaching / support	Remedial measures included with one-to-one teaching for slow learners. Complete revision of portions done with Extra Classes and group discussions. Training students for examination with previous year question banks. Counselling is given to students for better performances in further examinations.

INTRODUCTION

Hon. Shri Annasaheb Dange Ayurved Medical College, post graduate and Research centre, Ashta provides opportunities for the improvement in academic performances of the students for them who shows fluctuating performance in the internal assessment exams and those with long absenteeism due to medical reason. The institute conducts classes for them; give them assignment to make up their syllabus. The entire department faculties take special effort to teach those students and assess them frequently by following mid course improvement techniques to improve academic performance.

2.5.4 Report of CIE and remedial teaching:

- Every batch faces Internal Assessment Examinations (CIE) twice in a year, I and II Term End Internals, at the end of their first and second terms, respectively, as schemed by the MUHS.
- Only theory exams are conducted at the end of I terms, whereas both, theory and practical exams are conducted at the end of II terms.
- Each one is expected to score minimum 50% marks in each subject for passing the exams.
- It, therefore, becomes necessary to conduct four Internal Examinations in a year –
 1. In January and April for regular batches starting in August.
 2. In July and October for odd batches starting in February.
- Accordingly, CIE are scheduled in academic calendars of the institute and conducted.
- The scheduled dates and actual dates of CIE since the academic year 2017-18 are as follows:

Year	Exam	Scheduled Dates	Actual Dates of CIE
2017-18	I Term End	22/01/2018 to 30/01/2018	22/01/2018 to 30/01/2018
	II Term End	19/04/2018 to 29/04/2018	19/04/2018 to 29/04/2018
	I Term End	23/07/2018 to 28/07/2018	24/07/2018 to 28/07/2018
	II Term End	08/10/2018 to 20/10/2018	08/10/2018 to 20/10/2018
2018-19	I Term End	21/01/2019 to 25/01/2019	21/01/2019 to 25/01/2019
	II Term End	15/04/2019 to 27/04/2019	08/04/2019 to 22/04/2019
	I Term End	22/07/2019 to 27/07/2019	23/07/2019 to 31/07/2019
	II Term End	01/10/2019 to 12/10/2019	01/10/2019 to 14/10/2019

- There has been deviation only once in April 2019, where the schedule was preponed, as the time for evaluation and reporting to MUHS was insufficient.
- Since July 2019, CIE are scheduled every alternate day, as is done in the university Exams.

Remedial / special classes:

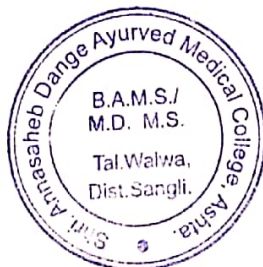

2017-18

- Special classes for Sanskrit were arranged from 20/06/2017 to 31/08/2017, especially for the students who had not studied Sanskrit earlier.
- After the university results of I BAMS 2017-18 batch in August 2018, it was realized that there is a need for special classes for those who have failed to perform well in the university exams.
- Hence, subject wise remedial classes were arranged and conducted from 10/09/2018 to 13/10/2018 for the low performers for the first time.
- Subject wise number of students was as follows:
 - Sanskrit: 20
 - Padarth Vigyan: 16
 - Maulik Siddhant: 20
 - Rachana Sharir: 21
 - Kriya Sharir: 14

2018-19

- 15 low performers were listed (<200 NEET score) after admission and were given counseling by the teachers in the first term.
- After the I Term End Internal Assessment Examination, relisting of subject wise low performers was done. The numbers were as follows:
 - Sanskrit: 12
 - Padarth Vigyan: 26
 - Maulik Siddhant: 29
 - Rachana Sharir: 09
 - Kriya Sharir: 05
- Remedial classes were arranged and conducted from 11/02/2019 to 09/03/2019.
- The results were compared with II Term End Internal Assessment Examination. The number of low performers was as follows:
 - Sanskrit: 00
 - Padarth Vigyan: 04
 - Maulik Siddhant: 14
 - Rachana Sharir: 03
 - Kriya Sharir: 04
