POLICY INTERNATIONAL STUDENT CELL

The Institute has an International student cell to facilitate study of foreign stakeholders i.e. students from abroad to study in India.. The international student cell comprises of team mentors with fluent communication skill especially English speaking skills of the International level to connect with the thought process and adaptation of foreign students. In spite of verbal communication, their food habits, health care, security and their embassy stuffs are taken into consideration.

However for practical knowledge of this age old science and to learn Ayurved in depth thoroughly at its roots, they prefer to come to India. Considering the demand from International students for hands on training in Ayurved and to observe how the patients are treated practically as well as to get the detailed knowledge of Ayurvedic herbs and formulation Hon Shri Annasaheb Dange Ayurved Medical college Ashta established an International Student Cell to look after needs of International Students and Global demands. This cell is established in 2019-20.

Objectives of International Student cell-

1. Provision of Ayurveda Learning Forum to International Students.
2. Globalization of Indian knowledge system of science- Ayurveda.
3. Promotion of Panchakarma as a lifestyle modification element in the health status of society worldwide.
4. To facilitate and enable knowledge of Indian herbs and Rasoushadhi to International students.
5. To transfer Knowledge about Dinacharya, Rutucharya, diet.

The Symposium for Foreign Job Opportunities for PG and PhD students is arranged yearly. We are about to start a short term certificate course in future for foreign students which is approved by Institute: The Holy Science: Ayurveda

Functions:-

1. Admission formalities.
2. Facilitate infrastructural, academic, administrative facilities
