Department of Shalyatantra

Activity towards Improvement of Clinical Documentation

Year 2023-24

i. To issue hospital card to the patient:

Patient undergoing Anushastra procedures are being issued hospital card with concerned details that would make a way for them for every follow up and procedure.

ii. To issue separate OPD and IPD files.

OPD file for day care procedure and IPD file for advisory admission as per minor or major cases to make over.

iii. Maintenance of separate OPD and IPD register:

Name of the patient is register in separate OPD or IPD register according to the framework of related procedure.

iv. Written consent of the patient:

Proper written consent is taken of the patient with the signature of patient and relatives including explanation of the procedure, risk involved mechanism of the procedure and outcome.

v. Maintenance of admission and discharge register:

A separate provision is made of registering the admitted and discharged patients separately.

vi. Separate register for minor procedures.

Minor Procedure of Anushastra is noted in separate registers with essential credentials.

vii. Proper billing with receipt and prescription during discharge:

Bill receipt and prescription is given to the patient as per the procedure and follow up is explained on the counter and OPD as well.
