## Department of Prasuti Tantra Evum Striroga

### Activities towards improvement of clinical documentation

#### YEAR – 2023 - 2024

Clinical documentation is for improving medical record documentation for completeness, specifics, and accuracy. It includes detailing of patients and treatment.

1. Providing hospital registration card to patient. UHID No. provided to every patient.
2. Maintaining separate register for central OPD.
3. Patients OPD and IPD papers are sorted by date.
4. Computerized data entry of Patients name, OPD No and IPD No. as per department.
5. OPD No. valid for 1 year.
6. Maintaining separate register for Striroga – Prasutitantra OPD, IPD, Garbhasanskar and Sthanik Chikitsa ( Local therapies in gynecology and obstetrics).
7. Maintaining Major and Minor procedure separate register.
8. Patients consent, anesthetic consent is attached to IPD paper before procedure. Detailing of major and minor operative procedure on IPD paper.
9. Issuing of ANC (Ante natal care) card and separate ANC register.
10. Booklet for ANC patients attending Garbhasanskar training course.
11. Maintenance of separate delivery registers.
12. Providing separate discharge card to patient and Xerox card is attached to IPD paper.
